II. SNOW DAYS

There are six (6) “snow days” built into the calendar.

There have been times when the State has, because of additional emergency conditions, reduced the number of days of required student attendance.

There are also some “Superintendent’s Days” that might be used.

III. REPRESENTATIONAL RIGHTS

Under New York State Law, you have a right to have representation from BTF headquarters if you are being questioned by an administrator.

OVER

As per the wallet card you should have received, you should advise the administrator:

“If this discussion could in any way lead to my being disciplined or terminated, or affect my personal working conditions, I respectfully request that a representative from BTF Headquarters be present at the meeting. Without representation, I choose not to answer any questions as per New York State law.”

Most administrators know this. If there is a problem, call your LRS/BTF.

This should not be someone in your building.

Your LRS ([Click Here](#)) will call the administrator and set-up an appointment.

- There Should be No Increase in Out-of-Pocket Expenses to Members
