**Subject:** Re: Coronavirus quarantine protocol question

It's hard to say at this point. I will forward your e-mail to Sierra here in the office, and your question can be included with the others that we will present to the District, and hopefully work cooperatively in ensuring that all recommendations from the Erie County Health Department are being followed.

Thanks, Rob Mueller

Robert,

Staff at Emerson have questions about the district corona virus quarantine protocol. We have a student who visited Northern Italy in February and returned to school on February 25, 2020. The family was contacted and she and another sibling were put on a quarantine from school March 4, 2020. She has returned to school today March 9, 2020. The principal and staff are concerned and Tonja Williams is looking into the matter. What is the BTF stance on this?
