

FRIENDS FOR A BETTER BUFFALO &  
ROSWELL PARK COMPREHENSIVE CANCER CENTER

PRESENT

Excellence in  
EDUCATION  
Awards  
2020

*Friends For A Better Buffalo*, with Roswell Park as the title sponsor, will host the **Excellence In Education Awards**. We invite you to join in on the celebration!

The Excellence in Education Awards is a black-tie event where *the Friends For A Better Buffalo, Inc.* will award teachers, support staff, and administrators who work in schools within the city of Buffalo.

There is a need to honor Teachers, Support Staff, and Administrators who work in schools throughout Buffalo - individuals who strive to ensure excellence for all students.

It is believed that around Western New York too many teachers, support staff, and administrators go unrecognized for their incredible efforts and contributions in their classrooms, schools, and communities.

It is a privilege to recognize their commitment to Buffalo and Western New York and to celebrate them for being an unyielding force for our students and the community. These are incredible, caring individuals who guide and inspire students and their families daily to experience the personalized success of becoming leaders of today and in the future.
