

02-02-21 Daily COVID-19 Report

Dear Williamsville Central School District Faculty and Staff,

Here are the daily COVID-19 cases as confirmed/verified by the Erie County Department of Health (ECDOH):

- Transit Middle: 1 Cases
- Williamsville North: 1 Case

Sincerely,

Williamsville Central School District

02-02-21 COVID-19 Report (Transit Middle)

February 2, 2021

Dear Williamsville Central School District Families and Staff,

The Erie County Department of Health (ECDOH) notified the District on February 2, 2021 of a positive case of COVID-19 at Transit Middle School. This individual was last in the building on January 15, 2021.

This serves as an informational notice to our school community and does **NOT** mean that you or your child have been exposed to or have come in close or proximate contact with the COVID-19 positive individual.

While we cannot release information regarding this individual due to Health Insurance Portability & Accountability Act (HIPAA) and Family Educational Rights & Privacy Act (FERPA), it is important to note that this person is in isolation, and the ECDOH is conducting contact tracing to identify all individuals who may have been in close or proximate contact with the COVID-19 positive individual. The ECDOH will directly communicate with any individual who is identified as a close or proximate contact to the positive COVID-19 individual so that further health and safety measures can be taken. **If you are not directly contacted by the ECDOH, the Department has indicated no subsequent action is required by you or your child(ren) at this time as it pertains to this positive case.**

The District will continue to work with the ECDOH to ensure the safety of our students, staff, and school community.

For signs and symptoms of COVID-19, along with health and safety preventative measures to help slow the spread of the disease, please refer to our COVID-19 Education page on our website here: [COVID-19 Education](#).

The District has taken immediate action to ensure areas occupied by the COVID-19 positive individual have been thoroughly cleaned and sanitized in accordance with Department of Health and Center for Disease Control and Prevention (CDC) guidelines.

Please contact your child's school nurse, your own healthcare provider, or visit the ECDOH at <https://www2.erie.gov/health/index.php?q=coronavirus> should you have any questions about this notice or COVID-19.

New York State Department of Health has created a COVID-19 Daily Report Card that families and staff can access to obtain information regarding positive COVID-19 cases in each district's school buildings. Please refer to this website for daily COVID-19 updates:

<https://schoolcovidreportcard.health.ny.gov/#/home>

As a reminder, please also be sure to complete the daily COVID-19 Health Screening Questionnaire that is available on WITS to help keep our school community as healthy and safe as possible. Thank you for assisting us with this very important health and safety measure.

Sincerely,

Dr. John E. McKenna
Acting Superintendent of Schools

02-02-21 COVID-19 Report (Williamsville North High)

February 2, 2021

Dear Williamsville Central School District Families and Staff,

The Erie County Department of Health (ECDOH) notified the District on February 2, 2021 of a positive case of COVID-19 at Williamsville North High School. This individual was last in the building on January 15, 2021.

This serves as an informational notice to our school community and does **NOT** mean that you or your child have been exposed to or have come in close or proximate contact with the COVID-19 positive individual.

While we cannot release information regarding this individual due to Health Insurance Portability & Accountability Act (HIPAA) and Family Educational Rights & Privacy Act (FERPA), it is important to note that this person is in isolation, and the ECDOH is conducting contact tracing to identify all individuals who may have been in close or proximate contact with the COVID-19 positive individual. The ECDOH will directly communicate with any individual who is identified as a close or proximate contact to the positive COVID-19 individual so that further health and safety measures can be taken. **If you are not directly contacted by the ECDOH, the Department has indicated no subsequent action is required by you or your child(ren) at this time as it pertains to this positive case.**

The District will continue to work with the ECDOH to ensure the safety of our students, staff, and school community.

For signs and symptoms of COVID-19, along with health and safety preventative measures to help slow the spread of the disease, please refer to our COVID-19 Education page on our website here: [COVID-19 Education](#).

The District has taken immediate action to ensure areas occupied by the COVID-19 positive individual have been thoroughly cleaned and sanitized in accordance with Department of Health and Center for Disease Control and Prevention (CDC) guidelines.

Please contact your child's school nurse, your own healthcare provider, or visit the ECDOH at <https://www2.erie.gov/health/index.php?q=coronavirus> should you have any questions about this notice or COVID-19.

New York State Department of Health has created a COVID-19 Daily Report Card that families and staff can access to obtain information regarding positive COVID-19 cases in each district's school buildings. Please refer to this website for daily COVID-19 updates:

New York State Department of Health has created a COVID-19 Daily Report Card that families and staff can access to obtain information regarding positive COVID-19 cases in each district's school buildings. Please refer to this website for daily COVID-19 updates: <https://schoolcovidreportcard.health.ny.gov/#/home>

As a reminder, please also be sure to complete the daily COVID-19 Health Screening Questionnaire that is available on WITS to help keep our school community as healthy and safe as possible. Thank you for assisting us with this very important health and safety measure.

Sincerely,

Dr. John E. McKenna
Acting Superintendent of Schools

01-28-21 COVID-19 Health Update to Families (Transit)

January 28, 2021

Dear Williamsville Central School District Families and Staff,

The Erie County Department of Health (ECDOH) notified the District on January 28, 2021, of a positive case of COVID-19 at Transit Middle School. This individual was last in the building on January 19, 2021.

This serves as an informational notice to our school community and does **NOT** mean that you or your child have been exposed to or have come in close or proximate contact with the COVID-19 positive individual.

While we cannot release information regarding this individual due to Health Insurance Portability & Accountability Act (HIPAA) and Family Educational Rights & Privacy Act (FERPA), it is important to note that this person is in isolation, and the ECDOH is conducting contact tracing to identify all individuals who may have been in close or proximate contact with the COVID-19 positive individual. The ECDOH will directly communicate with any individual who is identified as a close or proximate contact to the positive COVID-19 individual so that further health and safety measures can be taken. **If you are not directly contacted by the ECDOH, the Department has indicated no subsequent action is required by you or your child(ren) at this time as it pertains to this positive case.**

The District will continue to work with the ECDOH to ensure the safety of our students, staff, and school community.

For signs and symptoms of COVID-19, along with health and safety preventative measures to help slow the spread of the disease, please refer to our COVID-19 Education page on our website here: [COVID-19 Education](#).

The District has taken immediate action to ensure areas occupied by the COVID-19 positive individual have been thoroughly cleaned and sanitized in accordance with Department of Health and Center for Disease Control and Prevention (CDC) guidelines.

Please contact your child's school nurse, your own healthcare provider, or visit the ECDOH at <https://www2.erie.gov/health/index.php?q=coronavirus> should you have any questions about this notice or COVID-19.

This serves as an informational notice to our school community and does **NOT** mean that you or your child have been exposed to or have come in close or proximate contact with the COVID-19 positive individual.

While we cannot release information regarding this individual due to Health Insurance Portability & Accountability Act (HIPAA) and Family Educational Rights & Privacy Act (FERPA), it is important to note that this person is in isolation, and the ECDOH is conducting contact tracing to identify all individuals who may have been in close or proximate contact with the COVID-19 positive individual. The ECDOH will directly communicate with any individual who is identified as a close or proximate contact to the positive COVID-19 individual so that further health and safety measures can be taken. **If you are not directly contacted by the ECDOH, the Department has indicated no subsequent action is required by you or your child(ren) at this time as it pertains to this positive case.**

The District will continue to work with the ECDOH to ensure the safety of our students, staff, and school community.

For signs and symptoms of COVID-19, along with health and safety preventative measures to help slow the spread of the disease, please refer to our COVID-19 Education page on our website here: [COVID-19 Education](#).

The District has taken immediate action to ensure areas occupied by the COVID-19 positive individual have been thoroughly cleaned and sanitized in accordance with Department of Health and Center for Disease Control and Prevention (CDC) guidelines.

Please contact your child's school nurse, your own healthcare provider, or visit the ECDOH at <https://www2.erie.gov/health/index.php?q=coronavirus> should you have any questions about this notice or COVID-19.

New York State Department of Health has created a COVID-19 Daily Report Card that families and staff can access to obtain information regarding positive COVID-19 cases in each district's school buildings. Please refer to this website for daily COVID-19 updates:
<https://schoolcovidreportcard.health.ny.gov/#/home>

As a reminder, please also be sure to complete the daily COVID-19 Health Screening Questionnaire that is available on WITS to help keep our school community as healthy and safe as possible. Thank you for assisting us with this very important health and safety measure.

Sincerely,

Dr. John E. McKenna
Acting Superintendent of Schools

01-25-21 COVID-19 Health Update to Families (Mill)

January 25, 2021

Dear Williamsville Central School District Families and Staff,

The Erie County Department of Health (ECDOH) notified the District on January 25, 2021, of a positive case of COVID-19 at Mill Middle School. This individual was last in the building on January 15, 2021.

This serves as an informational notice to our school community and does **NOT** mean that you or your child have been exposed to or have come in close or proximate contact with the COVID-19 positive individual.

While we cannot release information regarding this individual due to Health Insurance Portability & Accountability Act (HIPAA) and Family Educational Rights & Privacy Act (FERPA), it is important to note that this person is in isolation, and the ECDOH is conducting contact tracing to identify all individuals who may have been in close or proximate contact with the COVID-19 positive individual. The ECDOH will directly communicate with any individual who is identified as a close or proximate contact to the positive COVID-19 individual so that further health and safety measures can be taken. **If you are not directly contacted by the ECDOH, the Department has indicated no subsequent action is required by you or your child(ren) at this time as it pertains to this positive case.**

The District will continue to work with the ECDOH to ensure the safety of our students, staff, and school community.

For signs and symptoms of COVID-19, along with health and safety preventative measures to help slow the spread of the disease, please refer to our COVID-19 Education page on our website here: [COVID-19 Education](#).

The District has taken immediate action to ensure areas occupied by the COVID-19 positive individual have been thoroughly cleaned and sanitized in accordance with Department of Health and Center for Disease Control and Prevention (CDC) guidelines.

Please contact your child's school nurse, your own healthcare provider, or visit the ECDOH at <https://www2.erie.gov/health/index.php?q=coronavirus> should you have any questions about this notice or COVID-19.
