

MOVED: That the BTF calls for the District establishment of a permanent safety/security committee in each Buffalo school/site.

Said committee would:

- Be composed of teachers selected by the teachers at each school/site.
- Be composed of other constituencies, e.g. staff, parents.
- Be charged with developing a school/site safety/security plan that will be reviewed monthly for updating.
- Include in the school/site safety/security plans, but not be limited to, additional school personnel, security personnel, needed additional equipment/supplies, support systems.

Said school safety/security committee's safety/security plan shall need the approval by a vote of the teachers, staff and representative of the parents at the school.

Said approved plan will be presented to the Superintendent and Board within one week of its approval.

Said school/site safety/security plan will be enacted by the Superintendent/School Board within thirty days of being received. Then each school/site will be notified in writing of the District's response to its plan.
