

# High School Virtual Graduation

FOX 29 and MyTV Buffalo are here to help honor your 2020 Seniors  
Let's us help you produce a Virtual Graduation Ceremony to air on TV!

## School responsibilities:

- Each school will select one technical point person that will work with the station to assure quality of each virtual graduation show.
- Each school representative point person will be responsible to have all students' parents or guardian sign the permission release form and return it to the station before the program would air.
- Schools would be responsible for any music rights and WUTV-TV must receive approved music documentation before the show would air.

## The format of the show could include:

- A speech from the Valedictorian/Top Student
- Feature the Top 10 students
- Highlight and video all graduating seniors
- A message from the Principal to the graduating class
- Any high school's traditions could be included

## Other details:

- Show will air on WUTV or WNYO any Sat between 8pm-10pm.
- Day and time will be first come, first served.

## Station responsibilities:

- WUTV will provide closed captioning for the show.
- Show will also be housed on WUTV.com.

## Sponsorship investment:

\$1,500 per school per ½ Hour Show  
\$3,000 per school per Hour Show
