Beware of Unemployment Fraud

Imposters nationwide have been filing claims for unemployment benefits using personally identifiable information (PII) stolen from unsuspecting individuals. Help us help you by sharing this information with your fellow NYSTRS members.

Members who believe their personal information was compromised should contact NYSTRS at (800) 348-7298, Ext. 6250 to discuss options for adding a theft of ID flag to their System account. They should also contact the following:

- Their employer.
- The NYS Department of Labor (888-598-2077 or labor.ny.gov).
- The Federal Trade Commission (IdentityTheft.gov).

While NYSTRS has multiple security measures in place to help protect data, members must be vigilant in safeguarding personal and financial information, including Social Security number, NYSTRS EmplID, credit card numbers, and bank account numbers.
