MEMO TO: Bennett Tigers Football Team and Coaches  
FROM: Buffalo Teachers  
RE: We Are Proud of You

First, congratulations on your victory on Saturday, November 27, 2021. You showed what a great team you are.

Also of great importance was your victory on Tuesday, November 23, 2021.

What you demonstrated at that game was an inner strength that showed all that you, regardless of any score, are champions.

On November 24, 2021, the Buffalo Teachers Federation Executive Committee passed the following motion to:

Move to authorize a check for \$500 to be sent to the Bennett Tigers.

"To celebrate how together you prevailed and overcame wrong and unprecedented obstacles on November 23, 2021.

We are proud of you."

Moved: Phil Rumore Second: Becky Pordum

The money is to be spent as your great team decides... jackets, trophies, a victory celebration, or any way you decide.

We, Buffalo teachers, are not only proud of what you have already accomplished as a team, but who you are as a person.
