

FOR IMMEDIATE RELEASE

BTF TO MEDIA --

CALL IT MURDER

CALL THEM MURDERERS

May 16, 2022

We call upon the media and all who care about the truth to, instead of referring to vicious, heinous and racist acts such as those in Buffalo as "shootings", "killings", etc. to call them what they are -- MURDERS – and those who have been found to commit them – MURDERERS.

If it needs to be couched as "apparent murder", or "alleged murderer" for legal reasons, the stigma must be present and known to occur before and when they make their vicious plans", stated Philip Rumore, President, Buffalo Teachers Federation.
