MEMO TO: All Buffalo Teachers  
FROM: Philip Rumore, President, BTF  
RE: Update – October 12, 2022

### ***Negotiations***

As per our Friday, October 7, 2022 email, there was sufficient progress with the Superintendent present at our negotiations that we are postponing a possible Vote of No Confidence in the Superintendent and Board until October 24, 2022.

We have meetings on issues this week and a negotiations session is scheduled for Friday, October 14, 2022.

In case, we are preparing to picket the Superintendent and Board members' houses if it becomes necessary. Hopefully, it won't.

Our next all member picket will be before the next Board Meeting on Wednesday, October 19<sup>th</sup>.

**Date:** October 19, 2022  
**Time:** 4:00 -  
**Where:** BAVPA

The Board meeting starts at 5:30

More details to come as negotiations proceed.

### ***Healthcare for Future Retirees***

Those who are contacting others regarding retiree healthcare for future teachers should know that the District has seen these and have now moved it up in priorities.

While you may not realize it, you are undermining our negotiations.

Surprise – The Buffalo News printed our submission. ([Click Here](#))

### ***School Schedule Changes***

**In response to teachers' and parents' inquiries, the District is in the process of sending the proposed schedule changes for each school to the staff and parents at the schools. Once again, any MOU has to be voted on by the Executive Committee, Council of Delegates and teachers.**
